

HEAVEN & HELL

*****'LIVE FROM RADIO CITY MUSIC HALL' CD/DVD
RELEASED AUGUST 27TH ON SPV PRECEDES THE
BAND'S NOVEMBER ARENA TOUR, THEIR FIRST
TIME ONSTAGE IN THE UK SINCE 1992 *****

"Ronnie James Dio, the man who made the devil horns famous, rocks harder than most frontmen a third of his years. And tonight, as he joins Tony Iommi, Geezer Butler and drummer Vinny Appice to front the Black Sabbath he released three albums with in the 80's and early 90's, it's clear why the band is such a legend. Playing to a sold out audience in Manhattan's prestigious and cavernous Radio City Music Hall, HAH's crystal-clear sound tonight (being recorded for a DVD, as made evident by the zooming cameras overhead) is as bombastic as it is tight." KKKK (Daniel Lukes, Kerrang! April 14th 2007.

Ronnie James Dio, Tony Iommi, Geezer Butler and Vinny Appice, who are Heaven And Hell, filmed and recorded their breathtaking, (sold out in 15 minutes) show at New York's Radio City Music Hall on March 30th 2007 for release on DVD and double CD on SPV Records, distributed by RSK, on August 27th.

'Live From Radio City Music Hall' contains scintillating live versions of absolute classic Black Sabbath studio songs from their 'Heaven And Hell' (1981) 'Mob Rules' (1982) and 'Dehumanizer' (1992) albums, as well as the three brand new tracks recorded in 2006 for 2007's 'Black Sabbath - The Dio Years' compilation. HEAVEN & HELL

LIVE 2007 NOVEMBER UK TOUR / 'BLACK SABBATH THE DIO YEARS' ANTHOLOGY RELEASED APRIL 9TH ON RHINO

Ronnie James Dio, Tony Iommi, Geezer Butler and Vinny Appice have reunited as *Heaven And Hell* and are embarking on a major tour of UK Arenas in November. Tickets for the unique opportunity to see this classic lineup reunited for the first time in 15 years, go on sale on Friday 30th March.

On April 9th, Rhino Records will release the first comprehensive introduction to the lineup's vastly overlooked legacy, 'Black Sabbath, The Dio Years', featuring a dozen classic studio recordings, one live track and three new songs, especially recorded late in 2006 for inclusion on this compilation.

The compilation spotlights Dio's time with Black Sabbath, drawing heavily from the group's 1980 record 'Heaven And Hell' and its 1981 follow-up, 'Mob Rules'. With these albums now recognized as back-to-back metal classics, this compilation features such signature songs as 'Neon Knights', 'Die Young', 'Turn Up The Night', 'Voodoo', and, of course, the title tracks of both albums. 'The Dio Years' also features 'After All (The Dead)', 'TV Crimes' and 'I' from the singer's brief reunion with Sabbath for the 'Dehumanizer' album and tour. On April 16th, Rhino will release one of the new tracks, 'The Devil Cried', as a download only single.
